# LADY BEAUTY

Mme. Ribault Explains to a Reporter the Secret of Her Beautiful Complexion that Makes Her Look Twenty-five Although Past Sixty.

## A TRIAL PACKAGE FREE.

A reporter called to interview Mme. Ribault a few days ago and was astonished to find that she is a woman past the three score and ten in life's journey.

MME. RIBAULT.

She certainly does not look a day older than twenty-five. Her complexion is a dream. Not a blemish, not a wrinkle, not a hair on her face, the most perfect skin that can be imagined. "What do you do to accomplish such a magnificent result?" was asked. "Only this," remarked the Madame, and she displayed what she referred to as her "beauty makers." "It is a very simple thing," she went on, "and any lady can be beautiful by their daily use for a short time. They completely remove pimples, blackheads, moth patches, redness, crows' feet, sallowness and every facial blemish, no matter what it is. During the interview the lady was brought out that Mme. Ribault has had her share of sorrow, of trials, of sickness and all else that is responsible for woman's poor and impoverished skin, and yet, in spite of all she has by her remarkable treatment, which anyone can apply, preserved her appearance so that she looks young, pretty and vivacious, although long past the time when women are supposed to be susceptible to leopards' claws." Any lady who will send her name and address to Mme. M. Ribault, 1035, E. 12th Street, Cincinnati, Ohio, will receive by mail, sealed in a plain wrapper, a package free of the same treatment which Mme. Ribault uses to defy age, time and the disfigurement so common to women who have been sick or whose complexion has suffered through any cause. It is not a chemical, cosmetic, paste, drug or anything painful or harmful, but an absolutely pure remedy that is perfectly safe for any skin. Do not delay, but write immediately.

**THE FOOTBALL FIELD.** **Virginia Defeated Gallaudet in Hard Fought Game Yesterday.** **Georgetown Scored Victory Over V. M. I. at Richmond Yale Vanquished the Carle Indians—Harvard Too Much for Brown—The Races.** (Special to Virginian-Pilot.) University of Virginia, Nov. 10.—Virginia defeated Gallaudet in a hard fought game to-day by a score of 34 to 6. Virginia's new line showed up in fast style in the first half. There was heavy playing, especially by Naile, Walker, Coleman and Dabney and the team scored 23. Gallaudet played hard ball, almost scoring in the second half. Her formation and revolving plays were features of Gallaudet's playing. Naile's break in the first half, assisted by Dabney scoring a touch down was the feature of the game. This victory closed the season on the home grounds. **THE LINE UP.** Positions. Gallaudet. Right End ..... Nicholson. Right Tackle ..... Matthews. Left Tackle ..... Norris. Left Guard ..... Lawrence. Left Half ..... Hewston. Right Half ..... Grant. Quarterback ..... Phelps. Fullback ..... Worley. Linebackers ..... Walker. Final score, Virginia, 34; Gallaudet, 6. Touch downs, Coleman 2; Naile, Dabney, Walker, Johnson. Goals from touch downs, Coleman 2; Naile, Dabney, Johnson for Dabney. Lankford for Coleman. Williams for Bridge, Garrett for Norris. Referee, Schnell, of the Columbia Athletic Club. Umpire, Ben Williams, of Virginia. Timekeeper, Jones, of Gallaudet, and Willa, of Virginia. Linemen, Winemiller, of Gallaudet, and Mason, of Virginia. Time of two halves, thirty and eighteen minutes. **GEORGETOWN, 17; V. M. I. 11.** Richmond, Va., Nov. 10.—By a score of 17 to 11, Georgetown College wrestled a victory from the Virginia Military Institute team here this afternoon, and with it, the title of champions of the South. The contest was spirited; it was a clean, scientific exhibition of football. The Virginians undoubtedly played the better game, but it is equally true that they were out-generaled. The features of the V. M. I. play were the gains of Kirk, the brilliant runs of Miller and McCabe, and the splendid tackling of Tucker. For Georgetown, Devlin and Buckley were most conspicuous for good playing. Attendance at the game was disappointing, but was brilliant in its representation of Richmond society. **V. M. I. Position.** Georgetown. Wright ..... Center ..... Macky. Wise ..... Right End ..... Finnigan. Smiley ..... Right Guard ..... Kearns. Briscoe ..... Right Tackle ..... Seitz. Sullivan ..... Left Tackle ..... Bouley. Johnson ..... Left Guard ..... Lacy. Tucker ..... Left End ..... Vandevanter. Miller ..... Right Half-back ..... Reilly. McCabe ..... Left Half-back ..... Barry. The Yale eleven played with unexpected strength and the speed and dash of the New Haven players was as remarkable as their strength. Yale stock rose in the contemplation of the superb possibilities, but experts lost no time in proclaiming that while Yale's work to-day was fully equal to that of Harvard against the same team, the Indians lacked that vigor and finish of play that characterized their five to seven effort and a further football bridge boys. Yale's goal line was never in danger in to-day's contest. **HARVARD, 11; BROWN, 6.** Cambridge, Mass., Nov. 10.—Harvard defeated Brown at football to-day by a score of 11 to 6. The very poor showing by Harvard was due to the absence of Captain Daly and the wretched playing of the substitute back and ends. The eleven seemed completely demoralized at times and were fooled by trick plays again and again. **OTHER COLLEGE GAMES.** Columbia, S. C., Nov. 10.—South Carolina College, 12; Agricultural and Mechanical College of North Carolina, 0. Pennsylvania, 12; Lafayette, 5. Northwestern, 5; Chicago, 0. **BERKLEY NEWS AND ADVERTISEMENTS.** **A MAN KILLED.** **Mr. Carey H. Williams Run Down by Railroad Train.** **Death Was Instantaneous—The Body Horribly Mangled—Items Personal and Otherwise Gathered Here and There.**

Mr. Carey H. Williams, of Oakdale, was struck by the 7:30 o'clock p. m. west-bound Norfolk and Western passenger train at the South Norfolk crossing yesterday and instantly killed. He was carried about one hundred yards from the crossing on the cowcatcher and they threw him in the track and the entire train passed over him about his waist, cutting him in two and otherwise mangled his body. The engineer reversed the lever, stopped the train as soon as possible, and accompanied by his fireman, went back and removed the body from the track. He then went to Mr. Matthews' store and made known the occurrence. The train was delayed but a short time.

The particulars leading to the accident are not known, as there was no eye-witness. The only reasons that can be ascribed are that the track crosses the street at an angle of about 45 degrees, and the buildings being but a short distance from the track, a train going west, as this was, cannot be seen approaching until the crossing is reached. It was said by Mr. Gallup, the agent at the South Norfolk depot, that the engineer blew for the crossing and rang his bell. Besides, there is an electrical alarm at the crossing. It was said that the train was moving at a lively speed, and there was no light at that point.

Mr. Williams leaves a wife and five children, four daughters and one son, all residing in Oakdale. He was on his way home from E. H. Barnes' hat factory at Gilmerton, where he was employed. Dr. P. M. Morgan, the coroner, was notified of the occurrence, and Special Officer H. Whitehurst summoned the following jury of inquest: S. J. Clark, R. W. Harris, John T. Wade, C. Miller, N. B. Snell and Joseph Litchfield. After the body was examined it was turned over to Undertaker Cox for preparation for burial. The jury adjourned until Monday.

Mr. Williams has a half brother, Mr. C. H. Carter, living near him. Mr. C. H. Carter is a cousin of Mrs. A. W. Culley, also of Oakdale. He came to the village about a year ago from near Virginia Beach and was sick very nearly all the summer. He was in the 45th year of his age and was known as a sober, industrious and honorable man. He was a former member of the Northern Lodge of Brambleton War, Norfolk. Mr. Wm. J. Myers, of South Norfolk, said he was talking with him a short while before he met his death. The family of Mr. Williams is prosituted by the unexpected occurrence.

**BRIEF MENTION.** The beautiful home of Mrs. M. E. Petheridge, on Berkley avenue, will be ready for occupancy next week. The finishing touches are being put on the new Methodist Church at the corner of Main street and Berkley avenue, and the building will be occupied by the Chestnut Street M. E. Church congregation about the middle of next month.

Miss King, of Windsor, is the guest of Dr. and Mrs. A. W. Ashburn. Miss Jennie Brown and Lucy Donnelly Wynns, daughters of Colonel James M. Wynns, of Gloucester, N. C., are the guests of their cousin, Mrs. Paul Bradley, in South Norfolk. The work on the ten acres of buildings for the Union Stock Yards is progressing rapidly. The members of the Berkley Social Club are requested to meet at the home of Nathan Jones, Tuesday evening at 8 o'clock.

We desire to state that owing to the destruction of our car-shed and power station at Huntersville by fire, and the loss of nearly all our cars, it will be impossible to give regular service for a while. New cars will be obtained as soon as possible. In the meantime we will run ten minute schedules throughout the city with the exception of the Queen street line, which will be discontinued temporarily. The Lambeth Point line will be run every half hour. We bespeak the cooperation of our patrons and take this opportunity of stating that the full service throughout our system will be run at the earliest possible moment.
